Aircraft Structural Component Bracket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1560-01-550-3422

End Application:
Ch-53d aircraft
Hole Quantity:
2
Product Name:
(inavy) bracket profile
Aircraft Mission Design Series:
Ch-53d aircraft
Special Features:
T shaped bracket, with tubular structure welded to flat base having two mounting holes; and tubular section has a pin hole
Material:
Steel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A11800
