Overall Length:

48.000 inches

Overall Width:

38.000 inches

Product Name:

Panel

Aircraft Location:

Panel floor, left side

Aircraft Station Number:

Fus sta196.000 to fus sta245.000

Aircraft Mission Design Series:

C-130 hercules

Special Features:

Matl to be 5/16 5 ply plywood birch face with basswood core and spruce cross bands; approx dim 5/16 x 48 x 38; assy consists of panel, tee nuts, screws, cover plate of 2024 al aly, and pad; used on l/h side from fus sta 196.0 to 245.0 wl 1460; dim are stock matl

Material:

Plywood

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11700
