Overall Length:

38.000 inches

Overall Width:

5.000 inches

Product Name:

Cap, beam-mlg drag, lwr outboard

Height:

2.000 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11 cond t73511 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
