Aircraft Location:

Rib installation inboard flap

Aircraft Mission Design Series:

Kc-135 aircraft

Special Features:

1490-2715x3.1 long, sh, clad, 0 temper, heat treat t4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
