Product Name:

Rib

Aircraft Location:

Rib wing-missile pylon attach bl 120.00 aft

Aircraft Mission Design Series:

F-16 falcon

Special Features:

Material 7075 al per qq-a-367 comp 7075 temper t73 precision die forging-may be fabricated from fms-3002-t851. Must be ultrasonic insp per mil-i-8950cl- opposite 16w113-23- finish a427 make from 16w113-22

Material:

Aluminum alloy 7075

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
