End Application:

C-130

Product Name:

Bar, fitting

Aircraft Location:

Longeron splice

Aircraft Station Number:

Fs617.0

Aircraft Mission Design Series:

C-130 aircraft

Special Features:

Upper; forging; m/f373059-999I; bl61.625

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
