Overall Length:

76.000 inches

Overall Width:

9.000 inches

Material Thickness:

8.000 inches

Product Name:

Closeout

Aircraft Location:

Closeout, aft overwing moveable fairing, aft

Aircraft Mission Design Series:

B-1b

Special Features:

Next assembly: I3058307; c/o: -003 closeout (al aly handforged block aly 70 75-t736520, an 2 bushings; fin per 10ab02

Material:

Aluminum alloy 7075

Material Specification:

Ams4108 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
