End Application:

C-5 aircraft

Product Name:

End fitting

Aircraft Location:

Underfloor frame

Aircraft Station Number:

Fs1168.00

Aircraft Mission Design Series:

C-5 aircraft

Special Features:

Heat treat t73; m/f 4f33861-993a hand forging

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
