Side For Which Designed:

Right side

Aircraft Location:

End fitting-underfloor

Aircraft Station Number:

Fuselage station 944, main

Aircraft Mission Design Series:

C-5

Special Features:

Forging part number 4f33004-995a, die forged with final temper t73

Material:

Aluminum alloy 7075

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
