Fabrication Method:

Forged

Aircraft Location:

End fitting-underfloor

Aircraft Station Number:

Fuselage station 704, main left side

Aircraft Mission Design Series:

C-5 aircraft

Special Features:

Forging part number 4f3004-993a die forged with final temper t6

Material:

Adhesive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
