Overall Length:

100.300 inches

End Application:

B-52 acft

Product Name:

Filler

Aircraft Location:

Trailing edge

Aircraft Mission Design Series:

B-52 acft

Special Features:

Extr; t3511; finish f-2.17; bac 1513-395 x 100.3 lg

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
