Product Name:

Lower fairing

Aircraft Location:

Leading edge-decelleron

Aircraft Mission Design Series:

A-10

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
