End Application:

F-22 raptor acft

Product Name:

Nozzle fairing

Aircraft Location:

Lwr transverse nozzle fairing

Aircraft Mission Design Series:

F-22 raptor acft

Special Features:

Right; carbon/bmi composite construction w/titanium supports

Material:

Titanium alloy and plastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
