**End Application:**

F-22 raptor acft

**Product Name:**

Nozzle fairing

**Aircraft Location:**

Lwr transverse nozzle fairing

**Aircraft Mission Design Series:**

F-22 raptor acft

**Special Features:**

Right; carbon/bmi composite construction w/titanium supports

**Material:**

Titanium alloy and plastic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11500
