**Overall Length:**

8.000 inches

**Overall Width:**

3.000 inches

**Material Thickness:**

2.000 inches

**End Application:**

F-22 raptor acft

**Aircraft Location:**

Fwd f2 tank

**Aircraft Mission Design Series:**

F-22 raptor acft

**Special Features:**

T851; dim. Are stocksize matl

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-225/6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
