Overall Length:

7.300 inches

End Application:

A-10a acft

Product Name:

Filler

Aircraft Location:

Fuel vent tank

Aircraft Mission Design Series:

A-10 aircraft

Special Features:

Next assembly 160d950210; light blue reticulated foam 1.3lb/ft 25 ppi; dia. 9.1 per dwg.; dim. Are stocksize matl.

Material:

Plastic polyester

Material Specification:

Mil-b-83054 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700

Mil-std (military Standard):

Mil-b-83054 spec.
