**Overall Length:**

7.300 inches

**End Application:**

A-10a acft

**Product Name:**

Filler

**Aircraft Location:**

Fuel vent tank

**Aircraft Mission Design Series:**

A-10 aircraft

**Special Features:**

Next assembly 160d950210; light blue reticulated foam 1.3lb/ft 25 ppi; dia. 9.1 per dwg.; dim. Are stocksize matl.

**Material:**

Plastic polyester

**Material Specification:**

Mil-b-83054 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700

**Mil-std (military Standard):**

Mil-b-83054 spec.
