Overall Length:

14.800 inches

Overall Width:

1.700 inches

Material Thickness:

0.040 inches

End Application:

Kc-135 aircraft

Product Name:

Chord cap

Aircraft Location:

Rib installation-rudder nose

Aircraft Station Number:

Rs193.18

Aircraft Mission Design Series:

Kc-135 acft

Special Features:

Clad-t3 temp; finish srf-2.115; dim. Are stocksize matl; used on 69-3137; -2 opposite

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
