End Application:

Kc-135 acft

Product Name:

Nose rib

Aircraft Location:

Rudder instl-rudder nose

Aircraft Station Number:

Rs110.81

Aircraft Mission Design Series:

Kc-135 acft

Special Features:

0 sht clad alum; 0 temp; finish srv-2.115; heat treat t4; dim. Are stocksize matl; used on 65-2897

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
