Product Name:

Platform, inflatable seal

Aircraft Location:

Inflatable seal-no. 6, aft overwing moveable fairing

Aircraft Mission Design Series:

B-1b

Material:

Aluminum alloy and plastic polyamide

Material Specification:

A357 casting assn standard 1st material response and I-p-410 comp 6/12 mfr ref 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
