Overall Length:

2.480 inches

Overall Width:

1.630 inches

Material Thickness:

0.970 inches

Product Name:

Connector-pylon beam

Aircraft Location:

Tf-39 engine thrust reverser

Aircraft Mission Design Series:

C-5

Material:

Steel comp 430

Material Specification:

Ams5629 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
