Overall Length:

3.100 inches

Overall Width:

2.380 inches

Hole Quantity:

2

Aircraft Location:

Fuselage

Aircraft Mission Design Series:

C-17

Special Features:

Temper t3; hydraulic tubing

Height:

2.260 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
