Overall Length:

1.100 inches

End Application:

A-10 acft

Product Name:

Support

Aircraft Location:

Latch back up instl. Outbrd door, nacelle

Aircraft Mission Design Series:

A-10 aircraft

Special Features:

Used on 160d415002-3, -4, -7, -8, -9, -10; dim. Are stocksize matl.

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
