End Application:

A-10 acft

Product Name:

Void filler instal.

Aircraft Location:

Trough

Aircraft Station Number:

Fs365 - fs524.30

Aircraft Mission Design Series:

A-10 acft

Special Features:

C/o many void filler pieces thermarest ballistic foam ax5052-2.5

Material:

Plastic

Material Specification:

Avco specification -10462 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
