Overall Length:

8.000 inches

Overall Height:

1.600 inches

Overall Width:

3.400 inches

End Application:

A-10a acft

Product Name:

Filler

Aircraft Location:

Fuselage

Aircraft Station Number:

Fs365 to fs524.30

Aircraft Mission Design Series:

A-10 acft

Special Features:

Altn foam avco 10-2.5a frc per p-m501; dim. Are stocksize matl

Material:

Plastic

Material Specification:

Ax5052 avco specification -10462 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
