Overall Length:

30.160 inches

Aircraft Location:

Center section, flap aft

Aircraft Mission Design Series:

C-130

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
