**Overall Length:**

72.170 inches

**Overall Width:**

2.000 inches

**Product Name:**

Cap

**Aircraft Location:**

Center section flap beam, lower

**Aircraft Mission Design Series:**

C-130

**Special Features:**

M/f Is5084, 8630 steel

**Height:**

1.150 inches

**Material:**

Steel

**Material Specification:**

Lac-1-562 cond e assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
