Overall Length:

72.170 inches

Overall Width:

2.000 inches

Product Name:

Cap

Aircraft Location:

Center section flap beam, lower

Aircraft Mission Design Series:

C-130

Special Features:

M/f Is5084, 8630 steel

Height:

1.150 inches

Material:

Steel

Material Specification:

Lac-1-562 cond e assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
