Overall Length:

2.000 inches

Overall Width:

2.000 inches

Thickness:

0.032 inches

Product Name:

Gusset

Aircraft Location:

Flap-center section, wing

Aircraft Mission Design Series:

C-130

Special Features:

Dim. Are stock material; finish per f-1

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
