Product Name:

Cap

Aircraft Location:

Beam-center section flap

Aircraft Mission Design Series:

C-130

Special Features:

M/f ls5018 x 26.0in.

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
