Overall Length:

4.330 inches

Overall Width:

2.560 inches

Material Thickness:

0.040 inches

Product Name:

Gusset

Aircraft Location:

Center section flap, forward

Aircraft Station Number:

Ws-82.25

Aircraft Mission Design Series:

C-130

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
