End Application:

Th-1h mod helicopter

Product Name:

Door assembly, access

Special Features:

C/o doors, window, seals; used on nose-lower; al aly 2024; qq-a-250/4; 34 x 24 x .071

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531m0
