Overall Length:

1.000 inches

Overall Width:

0.500 inches

Material Thickness:

0.032 inches

Aircraft Location:

Drain hole

Aircraft Mission Design Series:

C-130

Special Features:

Finish per f-54-36-36

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
