**Overall Length:**

8.500 inches

**Overall Width:**

6.250 inches

**Material Thickness:**

0.032 inches

**End Application:**

H-1h mod

**Side For Which Designed:**

Right side

**Product Name:**

Bracket rh

**Aircraft Location:**

Hinge instl. Nose door

**Aircraft Mission Design Series:**

H-1h mod helicopter

**Special Features:**

Dim. Are stocksize matl; used on 212-030-081-2, -16; 26; al aly temp 0; cond t6

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/13 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
