**Overall Length:**

11.500 inches

**End Application:**

H-1h mod helicopter

**Product Name:**

Stiffener

**Aircraft Location:**

Fin-tailboom, assembly

**Aircraft Mission Design Series:**

H-1h mod

**Special Features:**

Dim are stocksize matl; al aly t6; thk/shape 110-001-1

**Material:**

Aluminum alloy

**Material Specification:**

Bell standard assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
