End Application:

Bell helicopter 206

Side For Which Designed:

Left side

Product Name:

Aft door wedge window w/slide

Aircraft Location:

Aft door

Aircraft Mission Design Series:

Bell model 206a, b, I, I1, I3, I4

Special Features:

Aft wedge window w/slide assembly. Lh; blue color, add. Charge clear or smoke grey

Material:

Plastic acrylic

Material Specification:

Ams-lp-391 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
