Product Name:

Clip

Aircraft Location:

Air outlet-environmental control system, antenna pedestal

Aircraft Mission Design Series:

E-3a

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 t42 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
