**End Application:**

A-10a acft

**Product Name:**

Support

**Aircraft Location:**

Front spar assembly

**Aircraft Station Number:**

Ws110.00 to ws110.00

**Aircraft Mission Design Series:**

A-10 a acft

**Special Features:**

Opposite -36; al shp and 10134-1206

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-200/11-t6511 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
