End Application:

1560-01-186-6518

Product Name:

Aft channel

Aircraft Mission Design Series:

Lower aft door, wing

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-7075-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11400
