Overall Length:

1.750 inches

Overall Width:

1.000 inches

Material Thickness:

0.050 inches

Side For Which Designed:

Left side

Product Name:

Left had hinge

Aircraft Location:

F6 release

Aircraft Mission Design Series:

C-295 acft

Special Features:

Housing-5052 al anodized; handle and pans-12114 steel, cadmium plate; spring-302 stainless steel, passivated

Material:

Aluminum alloy 5052 and steel comp 302

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
