**Overall Length:**

6.200 inches

**Overall Width:**

3.800 inches

**Material Thickness:**

0.080 inches

**End Application:**

Chinook heli

**Product Name:**

Doubler

**Aircraft Mission Design Series:**

Chinook mk3

**Special Features:**

Al clad

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/13 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
