Overall Length:

8.000 inches

Overall Width:

6.000 inches

Material Thickness:

3.000 inches

End Application:

Chinook helicopter

Product Name:

Fitting assembly

Aircraft Mission Design Series:

Chinook mk3

Special Features:

W/2 fittings, al-t652, forg billet, t73

Material:

Aluminum alloy 7075

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
