Overall Length:

7.000 inches

Overall Width:

4.000 inches

Material Thickness:

2.500 inches

End Application:

Chinook helicopter

Product Name:

Fitting assembly

Aircraft Location:

Forward crew fuselage

Aircraft Mission Design Series:

Chinook helicopter

Special Features:

W/2 fitting, al-t652, forg billet, t73

Material:

Aluminum alloy 7075

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
