**Aircraft Location:**

Leading edge panel, outboard, horizontal stabilizer

**Aircraft Mission Design Series:**

B-1b

**Special Features:**

Composite

**Material:**

Glass fiber and plastic epoxy

**Material Specification:**

St0130lb0010 type i assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
