Side For Which Designed:

Right side

Aircraft Location:

Inlet duct

Aircraft Station Number:

Fs388.75 to fs445

Aircraft Mission Design Series:

T-38

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
