Overall Length:

1.550 inches

Overall Width:

0.125 inches

Material Thickness:

0.650 inches

Product Name:

Radius block

Aircraft Location:

Bulkhead

Aircraft Mission Design Series:

B-1b

Special Features:

Dim. Are stock material

Material:

Aluminum alloy 2024

Material Specification:

Qqa-250/5 t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
