**Overall Length:**

115.000 inches

**Overall Width:**

57.500 inches

**Thickness:**

0.040 inches

**Aircraft Location:**

Upper body

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

Dim. Are stock material. Finish per f-2.10

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 t3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
