Overall Length:

2.000 inches

Overall Width:

2.000 inches

Material Thickness:

0.063 inches

End Application:

T-38 acft

Product Name:

Angle

Aircraft Location:

Former

Aircraft Station Number:

Fs486.00

Aircraft Mission Design Series:

T-38

Special Features:

0 al sht alclad; next assembly 3-11750 from 5103 -5119 or 3-11770 from 5120-0000

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
