**Overall Length:**

3.850 inches

**Overall Width:**

2.500 inches

**End Application:**

B1-b acft

**Product Name:**

Support bracket assembly-pad

**Aircraft Location:**

Support fuselage

**Aircraft Mission Design Series:**

B1-b

**Material:**

Nickel alloy 718

**Material Specification:**

Ams5596 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
