Overall Length:

5.000 inches

Overall Width:

2.000 inches

Material Thickness:

0.050 inches

Product Name:

Angle

Aircraft Location:

Lower frame installation

Aircraft Station Number:

83.0-86.0

Material:

Aluminum alloy 2024

Surface Treatment Specification:

T-3 qq-a-250/5 federal standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
